

The Fridge Prompt

The one you commented FRIDGE for — plus two more for backup.

COPY THIS PROMPT

"Give me 5 dinner ideas using only what's in my fridge. Keep it simple."

Type it exactly like this, or swap in what's actually in your fridge. Pick one. Don't overthink the other four.

TWO MORE FOR YOUR BACK POCKET

THE 4PM PANIC

"It's 4pm, dinner isn't planned, and I don't have the bandwidth to think. Give me one dead-simple dinner idea I can start right now with what most kitchens already have. Just one — don't make me choose."

THE WEEKLY PLAN

"Build me a simple dinner plan for the next [X] nights. Make [my busiest nights] the fastest meals. Keep the ingredients overlapping so my grocery list doesn't turn into a novel — and give me that list too."
